Windermere Southern California Welcomes Sabryna Scholte-Gamboni

PALM SPRINGS, CA – MARCH 7, 2015 – Windermere Real Estate Southern California is pleased to announce Realtor® Sabryna Scholte-Gamboni has joined the Palm Desert Portola office, located at 73993 Highway 111. Sabryna has been investing in real estate since 2012, and uses her own successful experience, attention to detail, and passion for homes to help her clients achieve their real estate dreams. She currently specializes in Palm Desert residential properties.

Sabryna became interested in real estate after deciding that she wanted to invest her money in something that offered monthly and long-term returns. After words of encouragement from her friends, she began purchasing single-family homes and making upgrades to maximize appeal, increase market value, and create a steady monthly income stream. “The best part about joining Windermere as a professional Realtor® for me is that I get to use my passion for real estate to help others,” she says.

Prior to moving to Palm Desert, Sabryna worked for many years in the Hollywood film industry in international sales and marketing and owned a film and entertainment company with her husband in the Netherlands. She is detail oriented, organized, creative, and uncompromising when faced with a challenge. “I have an eye for potential, which helps my clients. I understand balance and structure in a home and living space, and help my clients see it too.”

Sabryna is genuinely interested in her clients’ wellbeing, looking to match each with their perfect home. Through it all, she thoroughly enjoys the thrill of the hunt. “I think it’s really important for homebuyers to fall in love with a space, whether it’s turnkey or something with great potential. There are so many possibilities in the Coachella Valley

with the large variety of housing styles. I want to find the right fit based on my clients' desired lifestyle."

Sabryna joined Windermere Southern California after talking with several people who are also Windermere Realtors®. "A few of my friends told me about the support they receive and the level of camaraderie that goes on within the organization. I met with Chris Anderson [General Manager] and did my interview with Randy Wiemer [Branch Manager] and committed to join based on those conversations, the company's philosophy on supporting its agents, and tremendous presence in the Coachella Valley."

Says Branch Manager Randy Wiemer, "We are very excited to have Sabryna join our family at the Portola office. Her enthusiasm for real estate and desire to apply her direct knowledge to help others gives her the qualities she needs to be successful. On behalf of everyone here, I would like to welcome her to our family."
